

IN THE UNITED STATES DISTRICT COURT  
FOR THE MIDDLE DISTRICT OF NORTH CAROLINA

UNITED STATES OF AMERICA :  
:  
v. : 1:22CR314-1  
:  
PHILLIP JEREL SCOTT :

FACTUAL BASIS FOR A GUILTY PLEA

NOW COMES the United States of America, by and through Sandra J. Hairston, United States Attorney for the Middle District of North Carolina, and as a factual basis under Rule 11 of the Federal Rules of Criminal Procedure, states as follows:

On Monday, May 4, 2020, Detective (Det.) Stacy Jarrell with the Guilford County Sheriff's Office (GCSO) received an ATF (Bureau of Alcohol, Tobacco, Firearms, and Explosives) E-Form, 3310.4, "Report of Multiple Sale or Other Disposition of Pistols and Revolvers" for Phillip Jerel Scott (Scott). These forms are sent by Guilford County businesses who possess Federal Firearms Licenses, to the Chief Law Enforcement Officer when a person purchases two or more guns within a five-day period.<sup>1</sup> On the form, Det. Jarrell saw that Scott

<sup>1</sup> Per GCSO Policy, when the Sheriff's Office receives these forms, the buyer on the form is "checked against the records of pistol permits which were issued, and a

purchased two of the exact same firearms (Ruger, LCP, .380 caliber pistols), on the exact same day, March 25, 2020. Det. Jarrell then contacted Special Agent (SA) Crocker to look into Scott's purchases of firearms.

SA Crocker collected all available ATF Form 4473s from multiple Federal Firearm Licensees (FFLs) that were identified in multiple sale reports through the ATF National Tracing Center. All FFLs are required to report the sale of two or more handguns to an individual that occur within five consecutive business days. Although Scott was approved for a North Carolina concealed handgun permit on August 15, 2019, he was subsequently charged with Assault by Pointing a Gun by High Point Police Department (HPPD) on March 27, 2020 (four days after purchasing multiple firearms in Guns and More in Thomasville as detailed above). Not only was he charged on site by HPPD, but he also admitted that he was carrying his gun concealed while drinking alcohol in violation of his permit. Due to the fact Scott was charged with assault and the possibility he was making straw purchases, Det. Jarrell contacted Sgt. Moore, who supervises pistol permits, to make him aware of her findings.

Shortly thereafter, Sgt. Moore scheduled a revocation hearing for June 8, 2020, and sent a certified letter notifying Scott of the hearing. The return

receipt was sent back to Sgt Moore indicating Scott received the certified letter on or about May 28, 2020.

On June 8, 2020, the revocation hearing took place. Scott was present at the hearing. After the hearing, Sgt. Moore and the GCSO Attorney decided to revoke Scott's carry concealed permit. On June 10, 2020, Sgt. Moore sent a second certified letter to Scott at the same address as the first certified letter, memorializing the revocation. Sgt. Moore also sent an email to Scott informing him of the revocation. On July 17, 2020, Scott returned his permit in person to the Guilford County Sheriff's Office at 4:45pm.

Approximately two months later, on September 24, 2020, employees at Pap Paw's Pawn and Jewelry, an FFL, contacted SA Crocker to report that Scott purchased a SCCY CPX2 9mm handgun on that date. Employees of the FFL told SA Crocker that Scott presented a North Carolina Concealed Carry Permit (CCP) along with his driver's license. On page three of the ATF 4473 form that Scott filled out in order to purchase this weapon, there is a box that states a background check is not necessary because the buyer has a permit.

See below:

29.  No NICS check is required because the transferee/buyer has a valid permit from the State where the transfer is to take place, which qualifies as an exemption to NICS.

Issuing State and Permit Type	Date of Issuance (if any)	Expiration Date (if any)	Permit Number (if any)
-------------------------------	---------------------------	--------------------------	------------------------

Section D - Must Be Completed Personally By Transferee/Buyer

The permit number listed on the 4473 for this purchase was NC825959, which is the number of his revoked permit. SA Crocker reviewed surveillance video of the transaction along with the 4473, which corroborated the information provided by the employees and showed that Scott had displayed what appeared to be a CCP so that no background check was needed. At the time of the transaction, Scott did not have a valid CCP and knew that he did not have a valid CCP since he turned his permit into the Sheriff's office less than two months earlier.

Later, Det. Jarrell was able to determine that Scott purchased a total of six firearms after his North Carolina concealed handgun permit was revoked on June 8, 2020.

This the 21st day January, 2023.
